Reference: Public Records Act Request dated March 07, 2019

On March 07, 2019, our office received your request for records under the California Public Records Act (Government Code Section 6250). The request was for "any records or communications related to animals brought to Paradise Animal Shelter or handled by Paradise Animal Control from a group called Base Camp. I also would like to see any records or communications that reference FieldHaven or the Transfer Station." Based on the Camp Fire that occurred on November 8, 2018 being the incident that prompted the listed groups to begin operations in Paradise, I have limited my query of records to the period of November 8, 2018 through March 7, 2019.

The Paradise Police Department follows the regulations set forth under the California Public Records Act. I have reviewed your request and determined the following records are eligible for release:

1. Base Camp cats euthanized as sick ferals.
2. Base Camp Cats not transferred through the Paradise Animal Shelter. Since these cats were never under the purview of the Paradise Animal Shelter, we have no further records on them.
3. Base Camp Cats not transferred through the Paradise Animal Shelter and euthanized due to disease.
4. Base Camp Cats returned to Base Camp.
5. Base Camp Cats transferred to Animal Spay and Neuter, that Animal Spay and Neuter transferred to a feral program. Since these cats were never under the purview of the Paradise Animal Shelter, we have no further records on them.
6. Paradise Animal Shelter cats euthanized as sick ferals.
7. Paradise Animal Shelter cats in the Shelter or adopted out as of 03-14-2019.
8. Paradise Animal Shelter cats transferred to Animal Spay and Neuter, that Animal Spay and Neuter transferred to feral programs through the Bradshaw Animal Shelter.
9. Paradise Animal Shelter cats transferred to Kitten Central.
10. Paradise Animal Shelter cats released to Placer County Animal Services.

The communications records are searched for by technical support staff and will be released in a separate communication.

Please feel free to contact us if you have any other requests for public records.

Sincerely,

Anthony Borgman
Police Lieutenant
